

Dear friends of mathematics in Erlangen,
As we have done for a number of years now, we would like to once again honour the graduates of our department from the 2025/26 academic year at

Graduation ceremony
on Thursday, 3 November 2026,
at 4.30 pm at H11 (Emmy-Noether-Hörsaal)
Felix-Klein-Gebäudes,
Cauerstraße 11

I warmly invite you and your family to join us.

Following the welcome address by the Dean of Studies and the subsequent congratulations, the graduates will have the opportunity to enjoy refreshments in the hall together with their fellow students, family and friends

Drinks and snacks will be provided during the event – including for accompanying guests. However, for organisational reasons, we ask all participants to register in advance for the event and to indicate whether they will be having drinks. This applies specifically to accompanying guests as well.

When registering, please provide your contact details, the title of your thesis and the name of your supervisor. To help us organise the ceremony, please register online via the website

<https://www.math-datascience.nat.fau.de/im-studium/abschlussfeier/> by 15 October 2026.

We look forward to seeing you there.

With kind regards,

gez. Prof. Dr. Carsten Gräser
Studiendekan der Lehrinheit Mathematik und Data Science
